News from td-net

ITD-CH 2025 Workshop-Abstracts & Poster jetzt online! // ITD-CH 2025 : les résumés des ateliers et les affiches sont désormais en ligne !

td-net: So vielfältig wie die Transdisziplinäre Forschungs-Community selbst sind auch die Workshops an der ITD-CH25: von audio-visuellen Methoden über Tools zur Veranschaulichung von Machtverhältnissen und die Arbeit mit Szenarien bis hin zur Institutionalisierung von Transdisziplinarität in Forschungsinstitutionen. Auch die Poster in unserer virtuellen Galerie zeigen, wie unterschiedlich Projekte und Institutionen Beziehungen gestalten, pflegen und reflektieren. Die Konferenz findet nächste Woche statt und ist bereits ausgebucht.

td-net : Les ateliers proposés lors de l'ITD-CH 25 sont aussi variés que la communauté de recherche transdisciplinaire elle-même : ils abordent des thèmes allant des méthodes audiovisuelles aux outils permettant d'illustrer les rapports de force, en passant par le travail avec des scénarios et l'institutionnalisation de la transdisciplinarité dans les instituts de recherche. Les affiches de notre galerie virtuelle montrent

News from the community

Celebrating five years of inter-/transdisciplinary teaching at UZH

The **School for Transdisciplinary Studies (STS)** at the University of Zurich marks its fifth anniversary with a report highlighting people, milestones, and projects that shaped its journey. The publication reflects on how the STS has become a hub for inter- and transdisciplinary teaching and learning at UZH – and invites readers to explore the people and stories behind it. [To the webpage and the report](#)

Rethinking Energy Futures

TA-SWISS: The EPTA report examines energy system transformations in 18 European countries, Japan, and the US, focusing on technological, industrial, and societal aspects of achieving carbon neutrality by 2050. TA-SWISS's chapter highlights Switzerland's renewed debate on nuclear power as a potential climate solution. [Full report](#) [Further information](#)

The revised Guide for Global Research Partnerships is now available!

GRP Alliance: The revised Guide for Global Research Partnerships, structured around six guiding principles, offers practical advice for equitable and impactful research partnerships. The online resource will evolve with new examples
