## Flowers for Early Milestones (1st to 10th Anniversary)

### 1. 1st Anniversary Flowers - Carnations

Did you know the first anniversary is traditionally represented by paper? But what if you could give something alive, vibrant, and beautiful instead? Have you thought about how a fresh bouquet can symbolize love, purity, and joy for your first year together?

#### Orchid

Traditionally, carnations symbolize the first anniversary, representing young love and admiration. You can also mix in a few of their favorite blooms to make the bouquet unforgettable and perfectly reflective of your shared memories so far.

### 2. 5th Anniversary Flowers - Daisies

Celebrating 5 years of togetherness? The 5th anniversary is traditionally linked to wood, but did you know flowers can symbolize growth and stability too? Cheerful daisies bring a lively touch and show that your love continues to bloom.

Which flowers would best capture your unique love story? Mixing traditional blooms with personal favorites can create a meaningful and stunning bouquet your partner will treasure.
