French Lace Poly Perimeter with Poly Front

\$278 Each or \$268 Each for 2+

The All French Lace hair pieces for men offer both an invisible hairline and touch non-detectability. These are the largest stock toupees that we offer at 10"L x 8"W but can be trimmed to any size. All lace hair pieces can be more challenging to adhere compared to units with some PU, but offer the least detectable option of any of the stock toupees.
