FÓTIMPEX

FÓTIMPEX - MPI EXHIBITION CONTRACTOR LTD.

About us

Fótimpex-MPI Ltd. is a Hungarian company offering integrated services related to constructing stands for trade shows, exhibitions and other events.

Over the last 25 years, we have built up an extensive clientele and we have worked with partners from many countries including Hungary, Germany, England and India.

With our principle of customer-orientation, precision and flexibility we are able to meet our clients' unique and constantly changing demands.

As a result of our professional and high quality solutions, we have many regular customers and have developed long-term partnerships with multiple Hungarian and foreign companies.

Our Services

Custom booths

We construct custom-made booths from unique elements, most of which are produced in our own factory.

Modular booths

When you need a simple booth made of prefabricated elements that can be customised to suit your individual needs.

Booth design

We design your booth and prepare the basic, 3D and production plans for it in a multi-stage process.

Graphic design

We design and produce all the graphics needed for your events or other marketing activities.

Interior design

We design and construct interiors – usually with custom-made elements – for business or private use.

Furniture production

Whether for an event or for everyday use, we design and produce custom-made furniture in our own carpentry studio.
