Damp wiping with ready-to-use disposable cloths

Description

Definition/Objective

To **remove loose and easily removable dirt** from the surface **with a damp cleaning cloth**.
The surface dries immediately.

Preparatory work

Select suitable products to match the surface to be cleaned (type / square metres) and the type of soiling.

Put up the warning sign.

Main task

Take a disposable cloth from the pack and then tightly reseal the pack.

Wipe the surface down with the damp, folded cloth.

Change the cloth face when it gets dirty.

Dispose of the cloth once all faces have been used.

Perform a visual check.

Final steps

Remove the warning sign.

Dispose of any waste.

Clean the cleaning materials and replace as needed.

Comments

- Wear the personal protective equipment (PPE) required by company regulations, safety data sheets and / or instructions for use.
- Always check in advance which product meets your requirements (see Wetrok Cleaning & Care Instructions).
- Wetrok AG accepts no liability for damage caused by improper use or incorrect product selection.
