

Technical drawing of a mechanical assembly, likely a valve or actuator, showing dimensions in millimeters (mm).

Key dimensions and features:

- Overall length: 98 mm
- Length of the main body: 85 mm
- Length of the actuator arm: 9 mm
- Actuator arm diameter: $\varnothing 25$
- Actuator arm thread: $G1/2$
- Actuator arm outer diameter: $\varnothing 42$
- Actuator arm thickness: 4 mm
- Actuator arm mounting hole diameter: $\varnothing 28$
- Actuator arm mounting hole position: min-max 23 mm
