

The technical drawing consists of two views of a two-way valve. The top view shows a horizontal valve body with a central threaded port labeled 'G3/4' and two side ports labeled 'Hot' and 'Cold'. The overall width is dimensioned as 150. The side view shows the valve's profile, with a total height of 122 and a mounting bracket width of 214. The distance between the mounting points is dimensioned as 130-170. The valve body has a central circular port and two side ports with cross-shaped handles.
