

Technical drawing of a curved metal arm, likely a lamp arm, showing dimensions in millimeters. The drawing includes a side view and a top view. The side view shows a curved arm with a total length of 196 mm, a curved section length of 186 mm, and a straight section length of 41 mm. The arm is mounted on a base with a diameter of $\varnothing 48$ mm. The top view shows the arm's profile with a total width of 281 mm and a maximum height of 40 mm. The arm is shown in a curved position, with a straight section at the end.
