

EcoVadis Sustainability Statement

This document confirms that Swan Analytische Instrumente AG has successfully completed the **EcoVadis Sustainability Assessment** and has been awarded the **EcoVadis Committed Badge**.

Assessment completed: June 2026

The EcoVadis assessment evaluates an organization's sustainability management system across four internationally recognized themes:

- Environment
- Labor & Human Rights
- Ethics
- Sustainable Procurement

The successful completion of the assessment and the award of the **EcoVadis Committed Badge** demonstrate Swan Analytische Instrumente AG's commitment to responsible business practices and continuous improvement in sustainability performance.

This statement is issued by Swan Analytische Instrumente AG as confirmation of its current EcoVadis assessment status.
