# TOUGHNESS, DURABILITY AND AGILITY

The new TERRAIN Diesel has been conceived to work in any terrain and under any circumstances, letting you work to the best of your ability at all times. New equipment and customisation options allow you to adapt this versatile UTV to the way you work.

The TERRAIN is a heavy-duty vehicle, designed to transport people and materials in comfort. Its large and surprisingly spacious cab not only keeps you safe thanks to its **anti-roll bar**, but also provides panoramic, obstacle-free visibility.
