THE DIESEL TEAM PLAYER

Terrain DX4 Max diesel is a powerful, rugged 4-seat 4x4 UTV, built to work in the toughest conditions. Capacity, stability and reliability for long working days, loaded trips and difficult terrain.

Adjustable bench seat.
More space and comfort

New **ADVANCED*** **roof**
for improved acoustic comfort

3-point seat belt
for all 4 passengers

up to **3** Years Warranty

First European Manufacturer

DESIGN, ENGINEERING, DEVELOPMENT AND IN-HOUSE MANUFACTURING.

In our quest for continuous improvement, we work every day to ensure our vehicles and after-sales services are the best.

"Terrain" stands for strength, endurance, and capability in any environment. We also offer a wide range of extras to perfectly suit your daily needs.

*PRO version only

The Corvus Terrain DX4 Max diesel is designed to move entire crews across demanding terrain and long working days, from municipal, environmental, beach and industrial services to construction site access with cargo or equipped passengers. Control, reliability and comfort when the job demands it. And enjoyment whenever you choose.

Heavy Duty Off-Road

The DX4 Max keeps the Terrain's Heavy Duty DNA: effective 4x4 traction, stability and solid handling on difficult terrain. Its balanced design lets you carry people without giving up the off-road capability that defines a true professional UTV.

4 Seats

The CORVUS DX4 MAX seats up to 4 people to move your crews. An advantage that expands your transport options on any terrain.
More versatility to go further.

Easy Maintenance

Built to work every day.
Practical access to key components and simple maintenance to minimize downtime and maximize operational availability.

Comfort and safety in the cabin

The entire Terrain range has been designed to provide maximum safety and comfort in the cabin.
Its suspension, cabin ergonomics, and adjustable bench seat and three-point seat belts make for an unbeatable driving experience.
